Inventory System
plus Merchandising

XeerSoft Sdn. Bhd. (567452-A)

TOTAL CONTROL over Stocks, Maximizes Turnover

Stocks **overloading your warehouse** and customers seeing *"Out of Stock"* labels most of the time?

XeerSoft Inventory System plus Merchandising solve them all! This combination is created for **total stock controls**, **minimizes losses** due to over-stock and **maximizes turnover** for fast moving goods.

It is an online system enabling management to have instant, real-time stock reports wherever needed, whenever critical. Our Merchandising module generates advanced stocks, sales and transactional reports as well as semi-auto ordering information empowering your Purchasing Department makes the best time-critical decision to effectively deal with cost management.

This system can be easily integrated with other XeerSoft modules like Accounting, WebPOS and Management Dashboard - for total control over your business expansion.

Take ACTION for total stock control TODAY by calling **+603-9284 8286** or browse to our website at http://www.**XeerSoft.com** for more information.
